## Broadcast License Granted

On July 4, the government of Benin granted Trans World Radio a license for AM broadcast in Benin. Now that the license is granted, the project is moving ahead at full speed. Lord willing, broadcasting will commence in April of 2007. Lord willing, the Cox family will be in Benin for this monumental occasion.

## Miriam becomes a believer

After attending VBS for a few days, Miriam crawled into Paul's lap and said: "I want to ask Jesus into my heart." How thrilling it is as a parent to see all of our children growing in Christ. Please pray that they will follow God all of the days of their lives.

## Micah Joy is Baptized

2 years ago Micah Joy asked Jesus to be in her heart while attending VBS. Last year when Nehemiah was baptized she asked to be baptized but we felt she did not fully understand baptism. In March she approached us again with the desire to be baptized. Since the baptism class at our church was in French and Micah Joy was the only Anglophone child, Paul had the privilege of translating and teaching the course to Micah Joy. It was a special time for both of them.

## DTS Graduation

Paul and Donna were thrilled to return to Dallas and attend Paul's graduation from Dallas Theological Seminary. Paul's family came from New Mexico. Most of Donna's family lives in the Dallas area and were able to attend. It was wonderful to have our families join the graduation festivities. A huge thanks to the White family, fellow french language students, for caring for our children while we were away!

## Ministry Opportunities

Our family had the opportunity to be the mission speakers at a VBS. Paul had the privilege to preach at a wonderful country church near by. In addition, we have had several opportunities to share about Christ with our neighbors. Please pray for our neighbors and other opportunities to share God's love.

## More News

Both the French language school and the kid's school finished on June 23 for two months. We were all very ready for a break though it was also a sad time for us. Many of the language students graduated and moved on to their fields of service; therefore, lots of good-byes. This was especially true for Micah Joy, seven of her friends moved within one week.

Paul's mother, along with Paul's Uncle Dick and Aunt Ginger met us in New York. We went to Niagara Falls and then back to Québec for several days. It was really great to have

family around. The down side was that it turned very hot the day they arrived in Quebec and stayed incredibly hot and humid until the day they left. It was quite miserable since we do not have air conditioning. We are looking forward to meeting Donna's sister and family in Boston for a weekend. We will also have the opportunity to see some long time friends while there. We look forward to several more sets of visitors before the summer is over!

**Support Update:** Coming to Canada was a step of faith in many ways. One of which was support raising. There is a tremendous need to have people praying for us as we follow God and to have people who will encourage us. Please pray for us and feel free to email, call or write to encourage us. There is also an opportunity for those who would like to give financially. Support should be sent to: Trans World Radio; P.O. Box 8700; Cary, NC 27512-8700. Please ensure that Paul & Donna Cox is on the memo line of the check.
