GOAL OF THE TOUR (SEE PAGE 1):

After 12 years in the ministry we are sure of several things. One of which, is the importance of relationships. It is crucial that we pray for each other and encourage each other to draw closer to God through the events that He brings into our lives.

We are very excited about the ministry opportunities that God has given us and will continue to give us through the Benin project. We would love to share with you about these things and see if you have an interest in being involved. There are a number of ways to be involved in our ministry: on going prayer for us, communication with us for the purpose of encouragement, financial gifts to provide for our needs and trips to Africa to help in the work.

Support Update: We need \$5000 per month for our ministry in Benin. Currently we are at 30% of that amount. If you would like to support us financially. Support should be sent to: Trans World Radio; P.O. Box 8700; Cary, NC 27512-8700. Please ensure that Paul & Donna Cox is on the memo line of the check.

Donna & Paul in French class: Everyone is raising their hands not because they have a question, but because they know the answer.
