hallelujah!!

The week of April 15 through April 21 was absolutely astonishing in the life of my family. There were a number of occasions when both Donna and I broke down weeping over the goodness of God. On April 15 we sent out an email asking for prayer because we were going

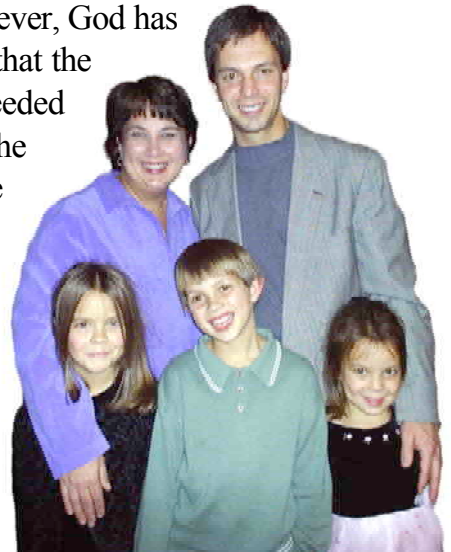

**God's hand
was moving
... and our
tickets are
booked**

to talk with TWR about a departure date. Between the morning of April 15 and our phone conversation the morning of the 16th our support jumped from 43% to 60%.

Over the next few days our support continued to rise. It was clear to us and TWR, that God's hand was moving in this and the decision was made to book our plane tickets to Benin. Praise be to God!

All equipment needed should arrive June 4

There have been a number of shipping delays with the containers of various equipment needed for this project. However, God has orchestrated that the equipment needed to complete the broadcast site should arrive on June 4, a couple of weeks after our arrival.

Thank You

I cannot begin to say thank you enough to those of you who have prayed for us. We have experienced some exceptionally sweet times of prayer. We have also been very encouraged by the many emails.

In addition, I am very grateful to those who have financially given to us. Thank you for investing in what God is doing in West Africa.

*Still need \$2,000
per month for
full support*

Even though there has been a tremendous outpouring of giving, for which we are very grateful, we still need another \$2,000 per month to be fully supported. In booking our tickets we have taken a tremendous step of faith that God will continue working to provide the remainder to these funds. If you are interested in helping, please fill out and return the enclosed pledge card to TWR. Be sure to put our names on the pledge card. In addition, if you would like to help with our one-time expenses of moving and setting up a household in Africa, these one-time gifts (to our equipment fund) should be received before May 17th.
